Mithun,

Thanks for your note. We plan to take this one step at a time. We appreciate your offer to provide a deposition on written questions from the current IV Team Leader (using the same questions previously posed) and look forward to receiving it. But given the unfortunate turn of events with "Pat Doe," we thought it would be prudent to reserve the right to seek additional relief, if necessary, after we have a chance to review the new statement. We hope and expect that will not be necessary.

Regards,

Jim

Jim: I take by your request that you're accepting our offer of a declaration in lieu of an oral deposition of the IV Team Leader?

Mithun,

We filed a notice so that the Court would be apprised of the status of the declaration in the record. Please advise when you will be able to provide the promised declaration of the IVTeam Leader.

Jim

Jim: After Mr. Farris's testimony yesterday, you asked whether ODOC's current IV Team Leader was the same person that signed the John Doe declaration last January. Upon further inquiry, I learned today that that in fact the current IV Team Leader (who served during the John Grant and Stouffer executions, and plans on serving for all foreseeable executions) is in fact not the same individual as the person who signed the John Doe declaration last January.
